

Code Review - Defect #1439

Open the Code Review tab, there's nothing appeared on the page?

11/25/2016 12:54 PM - Steven Wong

Status: <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> New	Start date: 11/25/2016
Priority: <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> Normal	Due date:
Assignee: Haru Iida	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	Spent time: 0.00 hour
Description it seems not support redmine 3.3.x could anyone fixed it. I tired it to make tracker: code review and create issues from repo, but I found on the code review tab, there's nothing on the list?
