

Redmine Information - Feature #975

Export rights maxtrix to excel, csv and pdf

03/19/2012 08:58 PM - cforce cforce

Status: □□□New□	Start date: 03/21/2012
Priority: □□□Normal□	Due date:
Assignee: Mitsuyoshi Yoshida	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description The rights maxtrix shall be available offline and therefore need to be exported to printable doc type. The html export does not scale to A4 because the matrix is to marge (width and height). And Export tp casv, excel and pdf would be very usful.	
Subtasks: Feature # 979: Export Permissions report to CSV. □□□New□ Feature # 980: Export Permissions report to PDF. □□□New□

- Assignee set to Mitsuyoshi Yoshida

I will add features to export Permissions report page to CSV and PDF.

But I don't have MS Excel. So, I can't test feature to export excel file.
Please use csv instead.

#2 - 03/22/2012 12:41 AM - cforce cforce

csv is ok as well! Looking forward to test!
